

Table Talk

the Play with Your Food Newsletter

July 2024

Why “Table Talk”?

Tables are at the heart of what we do. They’re where we play our games, share our meals, and build relationships with one another.

Conversation between players during a game in order to share information about the game is often referred to as “table talk”. The purpose of this newsletter is to share information about the PwYF campaign events and details.

So, what can you expect in future issues?

- Updates throughout the 2024-25 campaign
- Information about PwYF FUNdraisers and community events
- Tips and tricks for organizing events and other projects
- Carmichael Outreach updates and information
- Articles written by, for, and about people in our community

Sign up for Table Talk and never miss an opportunity to have fun again! You’ll be among the first to know of all future events like crib tournaments, tea tastings, board game tournaments, and so much more!

2024-25 Campaign is underway!

We have officially launched the campaign for another year of FUNdraising. In the past two years, the PwYF community has managed to raise more than \$115,000 for Carmichael Outreach! Our fundraising goal for 2024-25 is:

\$60,000!

Throughout the campaign year (June 1, 2024 to March 31, 2025), teams of board gamers - and their friends and family members - will work towards a common goal: raising funds to help fight food insecurity, poverty, and homelessness in Regina.

How will YOU participate this year?

July 30

Weekly ChewsDay Challenge

July 29

Mario Kart 8 Tournament

Check the [website](#) for other events and more information!

Register a team!

Are you thinking of creating or joining a team to FUNdraise in this year's campaign? Here's what to expect:

Sign up as an individual or find a group of up to 8 people to form a team. Choose a team captain to register your team. Each team member will then register individually and pay a \$30 registration fee. You'll get a team coach, a unique page on the PwYF website, and a CanadaHelps donation link.

You can then begin FUNdraising by hosting events and activities throughout the year. Past teams have hosted everything from baking and craft sales and board game tournaments to cornhole, crib and crokinole, and nacho nights!

Get creative and have FUN!

Meeples in your neighbourhood

This area will always feature members of our community - either through PwYF or the PwYF Community which includes ChewsDay Challenge, learn more here: www.community.pwyf.ca

Sara Orthner - Fellowship of the Game

At just 14, Sara Orthner is one of PwYF's youngest regular gamers and team members – but she's also one of the most committed!

Since her first ChewsDay Challenge game night in April 2023, Sara has gone from being a regular at the "Learn to Play" table to posting and teaching her own favourite games.
