GET READY!

THE 24 HOUR EVENT IS HERE!

MARCH 28-29, 2026

33 TEAMS  **150 GAMERS**  **24 HOURS!**

We are just about ready to welcome all of our amazing teams to the University of Regina for the 24 Hour Gaming event! Final touches are being put on posters, nametags, tshirts and everything else that is involved. Here are some tips for making the most of the event and having a fantastic time sharing your love of games and community! ***Teams, don't forget to register to attend the event by March 20th!***

Bring some games! - Remember that space can be limited, so don't bring the WHOLE collection! Bring games that you think you're going to get onto the table.

Sign Up for Games - The pwyf.ca/forums will have a link to the 24 Hour event schedule! This post is a great place for details about the event, and you can post and sign up for games the in the same way you can for a Chewsday Challenge.

Don't Sign Up for Games - There are a lot of folks there and the flip side of the fun is being ready to jump in games that are starting. Don't be afraid to invite new folks to your table, or start up a game and invite folks who need a game to join you!

Bring Snacks - Snacks are an integral part of gaming! Feel free to bring snacks with you. We would ask that you keep the food off of the gaming tables and eat any full meals out in the Food Court area. Bring some healthy ones (and the not so healthy ones!) and drink lots of water too!

TV Trays are essential - If you have a TV tray or a rolling craft cart, they are amazing for keeping drinks and snacks off of the tables. Don't forget to label it though!

Take breaks - Take a break and pace yourself! Enjoy a snack, do some stretches or get some fresh air! Revitalize yourself and get ready for your next game.

Stay comfortable - It could be cool, it could be warm, depending on the space you're in! Bring some comfortable foot wear as well!

Make a new friend (or five!) - Visit with folks, play a game with new people and help build our amazing gaming community!
