

The summer has arrived! We're very excited about our team registration progress so far and we can't wait to see what kind of fundraisers our teams have in store for us! Gaming is always a great way to spend a summer evening. Maybe even an outdoor game like cornhole, kubb or a huge game of backyard Yahtzee!

Play with Your Food team registrations are ongoing and we encourage folks to get a team together and sign up! We have some exciting changes on the way for our 24 Hours of Gaming event this year that we're excited to share with you as the months go by!

Stay tuned to our website and our social media channels and enjoy some games this summer!

CHEWSDAY CHALLENGE UPDATE

Hello from the Chewsdays Challenge crew! Here is an update for everyone's favourite (and one of Saskatchewan's best attended!) weekly game nights. We still meet every Tuesday at Boston Pizza North Albert with games starting at 6:30 PM and running until the restaurant closes. And our support has grown – we now have our monthly draw on the first Tuesday of each month with three \$25 gift certificates from BPs and Board Game Bliss (handy if you take advantage of our shared delivery to save shipping! Check in with us to learn more!)

We have 40-45 people most weeks and games of all shapes and sizes. We know that we are continuing to grow, as though the numbers aren't changing much, the faces are. As people find life getting in the way of joining us as regularly as they might want (and many we know will return), we see new faces all the time that turn into regulars. There is no requirement to purchase anything, though we encourage supporting BPs as much as you can. If you're looking for a game, we offer a forum to sign up to host or join a game, and a Learn To Play table and "players wanted" signs if you just want to drop in. Check out our [**Community website**](#) and sign up for an account and click on any of our Chewsdays events.

As you may be aware Chewsdays Challenge is the community arm of Play With Your Food and though you are free to play at Chewsdays without any PWYF commitment or pressure to commit, you will likely hear about upcoming events and you always have the opportunity to get involved, especially with the new fundraising season freshly underway!
