Luxe BBQ Event \$3136 RAISED!

The second annual Luxe BBQ Company Weekend Warrior Showdown and Demo Days was another great success! Play with Your Food was present to help showcase what we do and also to bring a bunch of backyard games to the masses. We were proud to help raise \$3136 for Carmichael Outreach alongside the Luxe BBQ Company. Many thank yous to Tammara Harrison for helping to coordinate the overall event and thank you to our many PwYF and Chewsday Challenge volunteers for being on hand to help teach some games, talk about PwYF and mingle with the crowds. The food was also pretty amazing, so we didn't have to twist too many arms! We're going to be working on more outreach events in the coming year, so if you're interested in helping us promote PwYF at various events in our city, please let us know!

NOW'S THE TIME! REGISTER YOUR TEAM!

We're slowly seeing those teams trickle in! Now's the time to get your team registered! We have a few exciting fundraising opportunities coming up that involve all of our registered teams and take very little effort on your part to organize.

- **Carmichael Comedy Night** (November). Just promote the event and when folks buy tickets using YOUR team code, you'll get the fundraising credit for that ticket applied to your team!
- Our **annual raffle** is coming up soon too and all you need to do is sell the tickets and the sale amounts will be applied to your team's total.
- We will also be hosting our annual **Facebook Auction** (February), and when any items donated on behalf of your team sell, that credit will be applied to your team.

There are lots of ways to help raise funds that don't involve putting on any large events or time consuming fundraising. If you need any help along the way, we have a team of Team Liasons that can help with anything you need on your PwYF journey!

KNARR - GAME REVIEW

Knarr is a small box, set collection style game with amazing art work and an excellent viking raider theme. The mechanics are simple enough, each turn you choose between recruiting a new viking to your clan and then replenishing your hand from the market, or going on a raid with your available crew and claiming rewards along the way. Your reputation with your warring clans will also come into play, with a high reputation gaining you victory points each and every turn. Will you put your efforts into becoming the most powerful clan around or will you venture forth to gain rewards from raiding missions! The game also has a clever stacking system to gain rewards along the way, with raiding cards creating ribbons of icons that are activated every time you go to market, providing victory points, reputation and extra crew members for your clan.
